B. J. KUMARASAMI NAIK,
President, Dt. Board.

TUMKUR TOWN MUNICIPALITY.

Dated 2nd March 1908.

1. A person who buys a building site from the Municipality takes it in order to erect thereon a dwelling for himself. He will not be competent to sell or otherwise dispose of it without the express permission of the President in writing.

2. The main building should be constructed with a basement not less than two feet high with floor of concrete or cement or Kadapa stone or flooring tiles, with roof of Mangalore tiles, or terraced and with doors and windows in sufficient number and of sufficient dimensions to allow free light and air.

3. The main building should be put in hand within two months from this date and the foundation should be brought up to the agreed height of plinth in another two months and the house itself completed within another eight months from then.

4. A ground plan of the proposed house will be forwarded to the President within 15 days from the date of the sale of the site.

5. Sufficient open space will be left all round the main building as may be required by the President and the necessary out-houses and latrines will be constructed on such portions of the site as may be pointed out by the President or by some officer of the Municipality as may be deputed by him.

6. The overcrowding of sites will not be permitted. The house and out-houses and latrines should not be extended nor can additional buildings be put up.
